NOTICE TO CHORISTERS
If you are a Chorister reading this policy, and anything or anyone worries you or makes you feel unsafe, please speak to your parents. But if for any reason you would rather not do this, you may contact any of the people listed on the last page and be assured that they are there to help you or point you to help.

Background:
All boys in the College Choir are educated at Magdalen College School, with which the College is closely connected. The College, with the co-operation and support of the School, has produced this Child Safeguarding Policy for the Choir which has regard to the guidance of the Secretary of State for Education. By this policy the College aims to ensure that it provides a safe environment for Choristers and safeguards their well-being, in particular by protecting them from abuse of any kind. The College also has a separate ‘Child Safeguarding Policy and Procedures’.

The College, with the support of the School, will respond without delay to any complaint or allegation of abuse, fully involving Magdalen College School, and then, if appropriate, by referrals to the Local Authority Designated Officer (LADO), Children’s Social Care, and the Police.

This policy is written with regard to the School’s Safeguarding Policy, as the School’s Safeguarding Policy is appropriate for School pupils wherever they are, and must always be referred to in addition to this policy.

The College’s DSL and School’s DSL meet regularly, and at least every term, in order to review the working of this policy. These meetings include assurances that College staff working with School pupils have all appropriate checks and training in place and current.
Preventative Measures:

1. The College’s Designated Safeguarding Lead (DSL) is the Home Bursar, Mr Mark Blandford-Baker, mark.blandford-baker@magd.ox.ac.uk, tel 01865 276050, who has the leadership responsibility for the College’s safeguarding arrangements. The College’s Designated Officer for Safeguarding Children with regard to the College Choir (DOSC for the Choir), who has the responsibility for the day-to-day administration of the College’s safeguarding arrangements for the Choir, is Miss Melanie Bennette, melanie.bennette@magd.ox.ac.uk, tel 01865 286701. The DOSC for the Choir is available to speak to parents or Choristers about safeguarding. In the absence of the DSL, the DOSC for the Choir acts as deputy, in consultation with the President or the Senior Tutor.

The School’s Designated Safeguarding Lead (DSL) is

The Usher, Mr Toby Beaumont: tbeaumont@mcsoxford.org, tel 01865 242191 ext 250 or 01865 253450. The School’s Deputy Safeguarding Officers are (all tel 01865 242191):

Mr Tim Skipwith: tskipwith@mcsoxford.org
Dr Anne Cotton: acotton@mcsoxford.org

These each receive training to enable them to carry out their roles.

2. The admission of Clerks and Organ Scholars, and the appointment of the Dean of Divinity, Informator Choristarum, Assistant Organist, Chapel Verger, Chapel and Choir PA, and the Choristers’ Singing Teacher, is, like appointments to the teaching staff at the School, conditional on the possession of a satisfactory DBS check at the Enhanced level and the receipt of two references which satisfactorily address the question of the candidate’s suitability for work with children. If a DBS check is delayed, candidates have no unsupervised contact with Choristers until a satisfactory check is received. Should a difficult or complicated recruitment judgement be called for, with the consent of the applicant to whom the information relates, the College’s DSL shares confidential information specifically relevant to child welfare with the School’s DSL. If necessary, consideration would be given to the imposition of supervision conditions on the adult concerned. DBS information is kept separately, not in general personal or academic files. Local clergy, including the Fellows’ Chaplain, may be appointed to preside at or assist with choral services only if they have current formal authorisation to exercise their ministry in the Diocese of Oxford by virtue of the Bishop’s Licence or its equivalent, or the Bishop’s Permission to Officiate, both of which are dependent on a satisfactory DBS check at the Enhanced level and Diocesan records of personal and career history.

3. Specific directives relevant to safeguarding and promoting the welfare of children are included in the guidelines which are presented to Clerks and Organ Scholars by
the Informator Choristarum. These set out the parameters of appropriate conduct, contact and communication with Choristers, within or outside official Choir activities. They are intended to be of benefit to all parties. Where a Clerk or Organ Scholar infringes these directives, the Informator Choristarum reserves the right to suspend him or her from all Choir activities, giving full notice of the reason for suspension, with a right to reply. Good pastoral care is to be provided for all concerned but the safety of children is the paramount consideration. If the infringement indicates that there are grounds for concern, advice may be sought from outside agencies in accordance with guidance from the Secretary of State for Education.

4. Chorister welfare has a permanent place on the agenda of all meetings of the Chapel and Choir Committee, providing among other things a regular forum in which to reflect on and discuss practice in the light of experience.

5. This policy, along with the guidelines presented to Clerks and Organ Scholars, is reviewed on an annual basis, at the Trinity Term meeting of the Chapel and Choir Committee, and by the School as part of its annual review of safeguarding policy and practice. A copy of the policy is given to Academical Clerks and Organ Scholars in the context of a mandatory verbal induction, and to the Fellows’ Chaplain, Chapel Verger, the Choristers’ Singing Teacher, and Chorister Parents. Organ Scholars who give music tuition to children also receive a copy of Magdalen College School’s Child Protection Policy, the College’s Child Safeguarding Policy and Procedures, the Oxford University Safeguarding Code of Practice, and a copy of Part One of ‘Keeping Children Safe in Education’ (September 2016). They are required to confirm that they have read at least Part One of the latter guidance.

Procedures in the Event of Complaint or Allegation of Abuse:

1. Within the College, the handling of complaints and allegations relating to Choristers is the responsibility of the Home Bursar as the College’s DSL (see contact details above and on the last page of this policy). This is made known to Chorister Parents and to Choristers at the time of their entry to the Choir. The Home Bursar sends all parents a letter, every September, containing information about Child Protection. Parents whose sons begin to sing in the Choir at some other time of the year receive these materials as soon as the Choristership starts.

2. Parents, Choristers or others who have any concerns at any time relating to the safety of Choristers should contact the College’s DOSC for the Choir without delay, who will liaise with the College’s DSL and the School’s DSL (see contact details above and on the last page of this policy). They may also contact the College’s DSL directly. Notices are placed at child-eye-level height in the Choristers’ Day Room in the
School and the Song School in the College informing Choristers who they should speak to if anything or anyone worries them or makes them feel unsafe.

If anyone feels unable to convey a concern to a Senior Member of College, then the NSPCC Whistleblowing Helpline should be used: the number is 0800 028 0285.

Children will probably wish to speak to their parents first about anything or anyone that is worrying them or making them feel unsafe. If you are a child or young person reading this and you are worried about your safety at School, in the College or in the Choir, please do not hesitate to speak to your parents. But if for any reason you would rather speak to someone outside of your family, you can speak to Miss Bennette (the Chapel and Choir PA), Mr Berry (the Teacher in Charge of Choristers), Mr Skipwith (the Head of Junior School), your class teacher, Mr Hemingway (the Head of Lower School), Mr Beaumont (the Usher), Dr Cotton (Deputy Head, Education Development), or Rev’d Dr Jonathan Arnold (the Dean of Divinity). Their contact details are given on the last page of this policy.

Anyone approaching any of these members of staff may be assured that their concerns will be taken seriously and they will not be subjected to any detriment due to making their concerns known. However, where the safety of children is in question, only limited assurances of confidentiality can be given as the matter must be addressed at once through the proper channels.

If a chorister is in immediate danger, rather than there being a concern about a chorister, the Police or Social Services should be called immediately. Dial the Police on 999 or Social Services on 0845 050 7666 or 0800 833 408 (out of hours).

3. Any member of staff receiving concerns about the safety of Choristers will listen and take notes, making no promises of absolute confidentiality, and refer the matter at once to the Home Bursar, who is the College’s DSL, or to the Usher, who is the School’s DSL, each of whom will immediately inform the other (see contact details above and on the last page of this policy).

4. On receiving information or a complaint or allegation from parents, a child, or a member of staff, the DSL will take detailed notes of any complaint or allegation brought to him, listening carefully to all that is said, making no promise of absolute confidentiality. (Where handwritten notes are typed up later, the original contemporaneous notes will be retained.) The matter will thereafter be dealt with by the DSL (for the College) in conjunction with the School’s DSL in accordance with the procedures and time limits set out in the latest guidance issued by the Secretary of State. This is currently to be found in ‘Keeping Children Safe in Education’ (September 2016). This is available to the public on-line. The senior management of the School and College will be kept informed, in confidence, unless for some reason this would place a child at increased risk of harm.
5. The LADO will be informed within one working day of all allegations that an adult within the College has:

- behaved in a way that has harmed a child, or may have harmed a child;
- possibly committed a criminal offence against or related to a child; or
- behaved towards a child or children in a way that indicates s/he may pose a risk of harm to children.

The advice of the LADO will be followed appropriately.

6. Careful notes will be kept of information and advice received, decisions made and the reasoning behind them. In normal circumstances this will be done in full partnership with the Chorister’s parents, unless for some reason this would place the child at increased risk of harm.

7. The relationship between the DSL of the College and the DSL of Magdalen College School will be one of full and equal partnership, founded on a presumption of openness and joint decision-making. They meet on a termly basis to allow for the regular exchange of information and the maintenance of a good working relationship. Their over-arching principle is always to act in the best interests of the child. They share responsibility for contact with a Chorister’s parents, and will initiate the process by which advice is sought from the LADO and/or matters are referred to Children’s Social Care or the Police.

8. As soon as the LADO advises or either the DSL for the College or the DSL for the School feels that a matter should be referred to Children’s Social Care or the Police, the DSL for the College and the DSL for the School will together convene a group including the President and the Master with full reference to Diocesan officers and legal authorities as applicable, in order to keep them fully informed.

9. The College and School will collaborate fully with the statutory agencies concerned with child protection.
