Dear New Magdalen Member,

Many congratulations on winning your place at Magdalen!

You will already know what an extraordinary and beautiful place this is, with its glorious buildings and grounds, deer park, and rich history. But above all, this is a friendly, informal and supportive community which will soon be your home, and we very much hope you will be happy and fulfilled here. You have earned the right to be part of Magdalen's future, and we hope you will use your time here not only to explore your chosen subject, and to grow in learning, scholarship and understanding, but also to discover and develop your wider interests, and to form friendships that last a lifetime.

I very much look forward to welcoming you in October.

Yours sincerely,

Dinah Rose KC

President
