Summer 2023

**GRADUATE FRESHERS' MAILING – ROOM ALLOCATION FOR  
ACADEMIC YEAR 2023/24**

If you have applied for Magdalen College Accommodation, your application for a single room in graduate student accommodation has now been processed and I am writing to confirm that you will be allocated a room for the Academic Year 2023/24, commencing Sunday, 1 October 2023 (the date from which your accommodation licence will run).

Should your course of study commence before 1<sup>st</sup> October and you need to arrive earlier for this, please let the Conference & Accommodation Office know as soon as possible. If your own room is not available on the date you wish to arrive, a temporary room may be made available by prior arrangement.

You will be notified of the actual room allocated to you in a few weeks' time and, where a preference was expressed on the form, we will do our best to meet that request, but this cannot be guaranteed. The rate for your room will be confirmed at the same time.

You may find it helpful to know that bed linen is provided and laundered by the College and that a limited cleaning service is made of the common facilities. There are a number of card-operated laundrettes around the College for student use. All rooms have a mini-fridge. The College offers breakfast, lunch, and dinner at reasonable prices in Hall and a sandwich and salad bar is run from the Old Kitchen Bar. Please note that there is a no smoking policy throughout all College buildings and accommodation. Further information can be found in the Information & Regulations for Members of the College booklet.

Room-related queries should be directed to the Conference & Accommodation Office:
