ALUMNI STRATEGY AND ENGAGEMENT MANAGER
Magdalen College, founded in 1458, is one of the largest and most beautiful of the colleges of the University of Oxford, set in 100 acres of grounds which include the Deer Park and Addison’s riverside walk.

Our community includes more than 400 undergraduates, over 230 graduate students, 75 Governing Body Fellows, and some 140 non-academic staff, as well as over 7,800 alumni from all over the world. For more than 500 years it has been the home of politicians, poets, scientists, adventurers, entrepreneurs, and 10 Nobel laureates, as well as being a choral foundation with an internationally-renowned choir.

The College, in conjunction with the University, provides a world-class education through small-group tutorials and academic supervision, and facilitates research of the highest international quality. Magdalen provides an outstanding collegial experience for all members of its community, with first-rate facilities and a rich tradition of cultural and sporting activities. Equality of opportunity is paramount: students are admitted based on their academic potential, while students with limited financial means are supported by the Oxford Bursaries scheme and the College’s generous Student Support Fund.

As a registered charity, the College’s funds and endowment are managed to realise its charitable aims and deliver its academic and heritage missions. The College’s largest single asset is the Oxford Science Park, which provides an ongoing source of income.

Over the next decade, Magdalen’s strategic goals will be:
1. the pursuit of academic excellence, broadly defined
2. fostering a welcoming, inclusive, and cohesive community
3. making a substantial contribution to the public good.

We shall continue to treasure the unique beauty and traditions of Magdalen, whilst ensuring that the College provides a sustainable and forward-looking environment, supports individual needs, and enables all those who live, work and study at Magdalen to thrive.

Our specific objectives include a substantial increase in the number of graduate students, with funding for those who need it; growing our flagship Access & Outreach programme; and some transformational building projects including the provision of upgraded accommodation for undergraduates, and a new café in the heart of the College.

This appointment comes at one of the most exciting times in the College’s long and distinguished history as we enter the early stages of Magdalen’s biggest fundraising campaign to date, for which this role is critical in engaging the alumni community.
The Team

The College has a long-established Development Office with a team of seven (not including the Communications Team), making it one of the larger Development Offices in Oxford.

The successful candidate will work alongside the Director of Development, the Deputy Director of Development & Head of Alumni Engagement, the Development Manager, the Data & Analytics Manager, the Development Coordinator, the Development Administrator, and the Development Trainee. While each member has specific responsibilities, it is a friendly “all hands on” office where considerable teamwork is encouraged and expected.

Magdalen has a highly engaged pool of over 7,800 alumni spread across the world, and concentrated in the UK and North America. Development and alumni relations at Magdalen has the full support and engagement of the President and wider Fellowship of the College.

Magdalen’s Development Office is responsible for engaging alumni through a variety of events, communications, philanthropic participation and volunteering opportunities. Around 1,500 of the College’s alumni make donations to the College each year, while 1,774 alumni attended at least one event last year.

Magdalen’s social media enjoys one of the highest levels of alumni engagement across the collegiate University and increases the College’s global reach.
