MAGDALEN COLLEGE, OXFORD

Fresher Graduate Accommodation 2026-27

Introduction

It is Magdalen College policy to provide single accommodation to graduates in their first two years of study. First year graduates requesting accommodation do not select a specific room or building, but are allocated to rooms based on their choice of budget. Due to the limited number of rooms available at some grades, however, it may not be possible to offer the grade of room requested.

For their second year, graduates enter a room ballot organised by the MCR, and subsequently select rooms in their ballot order. For their third year and beyond, graduates can apply for a place on a waiting list, in case there are any spare rooms.

Medics have a slightly different arrangement. 2nd BM students are entitled to a room for their first and final year, and can apply for the waiting list or live out in their second year. Accelerated Medicine students are entitled to a room for their first two years and for their final year, and can apply for the waiting list or live out in their third year.

Single Graduate Accommodation

Most graduate accommodation is located within a reasonable walking distance from the Porters' Lodge at Magdalen College. The rooms are graded by daily room charge A – H. Details on current rates can be found at: <http://www.magd.ox.ac.uk/living-here/graduate-living-here/>. These rates will be up-dated for 2026-27.

Individual graduate single study bedrooms are provided with single bed, clothes storage and desk with chair and in many cases a small refrigerator. Bedding and bedlinen are included in some accommodation, and housekeeping arrangements vary depending on the location, which is reflected in the grading. Cooking utensils and equipment, crockery and cutlery are not provided. Some locations include card-operated washing and drying machines. Wi- Fi internet is provided in all areas and charges include utilities.

Allocation Policy and Timeline

Accommodation application forms should be submitted by **15th June 2025** where possible, in order to be guaranteed a room. Any application received after this date may be placed on a waiting list, depending on the number of rooms available.

Entitlement to a room is based upon yoQur financial declaration - which should be submitted to the Admissions Office - being accepted by the College.

Any particular accommodation or health requirement should be declared on the form at the time of application. If you notify us at a later date, we may not be able to assist.

On arrival at the College you will be required to sign a Summary Licence to Occupy. The full licence can be found in Appendix F in the Information & Regulations for Members of the College Publication at: <https://www.magd.ox.ac.uk/internal-pages/>.

The licence period for a single graduate room is 9 months continuous occupancy from the night of 1st October until the morning of 1st July. Vacation residence can be applied for over the summer months, subject to availability. This may involve moving rooms due to refurbishment works, or the requirements of incoming residents for the new academic year.

Please complete the attached application form as soon as you receive your provisional offer of a place at Magdalen College. The Accommodation Office will acknowledge your request, but final confirmation of the room allocated will not be made until late August due to the changes in availability until that time. It is also helpful to let us know if you do not intend to live in College accommodation.
